INSTRUCTIONS:

The Fisheries, Wildlife, and Conservation Biology program is very interested in your opinions, and believes that you can provide it with useful information to help us evaluate and improve our programs. We appreciate you taking the time to answer these questions.

To answer a question, click on the bubble for the answer you are choosing. Once you have answered all the questions, you must hit the **SUBMIT** button at the end of the form to submit your answers.

In the *first column*, please select the appropriate bubble to indicate to what extent you think the Fisheries, Wildlife, and Conservation Biology program prepared you in each of the following areas. In the *second column*, indicate how important you expect the area will be in your future profession.

<table>
<thead>
<tr>
<th>HOW WELL WERE YOU PREPARED BY YOUR PROGRAM OF STUDY?</th>
<th>HOW IMPORTANT DO YOU EXPECT THIS WILL BE IN YOUR PROFESSION?</th>
</tr>
</thead>
<tbody>
<tr>
<td>Very Well Prepared</td>
<td>Well Prepared</td>
</tr>
</tbody>
</table>

1. Knowledge of ecological principles to manage fisheries, wildlife, and conservation biology effectively.

2. Quantitative skills to manage fisheries, wildlife, and conservation biology effectively.

4. Ability to use objective and critical thought to the solution of a variety of problems in fisheries, wildlife, and conservation biology management.

5. How satisfied are you with the curriculum’s ability to foster a broad perspective to address problems in fisheries, wildlife, and conservation biology management?

   - Very satisfied
Moderately satisfied
Neither satisfied nor dissatisfied
Moderately dissatisfied
Very dissatisfied
Not required in major

6. What could the Fisheries, Wildlife, and Conservation Biology Program do to enhance the quality of the students’ educational experience?

Students also majoring in Forest Management, please click on the FOM button to submit your responses to this survey and go to the Forest Management one.

Students also majoring in Natural Resources - Ecosystem Assessment (NRE) or Natural Resources - Policy & Administration, please click on the NR button to submit your responses to this survey and go to the Natural Resources one.

**Departmental Surveys**

Thank you for completing the College of Engineering survey. If you do not have another major, or your other major department is not listed below, select “None” and click on the “Submit” button to submit your responses to this survey. If you have another major that is listed below, please select it then click on the “Submit” button to submit your responses to this survey and go to the next one.

**College/Department/Program:**

<table>
<thead>
<tr>
<th>None of These</th>
</tr>
</thead>
<tbody>
<tr>
<td>Agricultural and Extension Education (AED program only)</td>
</tr>
<tr>
<td>Biological and Agricultural Engineering (BE program only)</td>
</tr>
</tbody>
</table>

When you are satisfied with all your answers on this page, click on the “Submit” button to go to the next one.
If you do not see a college/department survey or a "Thank you" message after you click on the "submit" button, your survey results were not saved. You can use your browser's "back" button to return to this page and submit again, re-enter your answers at another time, or let us know about the problem at (919) 515-4184 or studentsurveys@ncsu.edu.

Thank you for your time and assistance!
