Dear Graduating Senior, As you approach graduation, we ask that you take a few minutes to help us evaluate our institutional performance. This evaluation form contains questions that are being asked of all graduating seniors (including those in off-campus degree programs) on all 16 campuses of the University of North Carolina so that we can compare responses across campuses. It may also contain some campus-specific questions that will help your campus evaluate its performance in other areas.

Your answers to all questions are important. Look for them to be summarized in one or more campus publications and/or on the World Wide Web or in a similar medium. Be assured, however, that your answers will never be released to the public in a form that would permit anyone to know they are yours.

Please provide your social security number, because it permits us to link your responses to other information in your student record, such as your age, your major field of study, and the number of hours you have taken at this institution or at other colleges. By linking with your social security number, we are able to keep this questionnaire short. Again, all of your responses will be kept confidential.

Thank you for taking the time to complete this form.

Chancellor Patricia A. Sullivan

Sincerely,

President Molly Corbett Broad
