Wolf Ridge Residence Hall
Parking Guidelines and Permit for Early Check-In

The following guidelines are in place to assist parents and students with parking for Early Check-In (Aug. 1 - Aug. 14, 2016) Wolf Ridge Apartments.

- Print the permit for Early Check-In parking. Fill in the date and the residence hall/apartment you are moving into. Display the permit on dash of the vehicle visible for Parking Enforcement staff. You may use this for up to one hour to unload the vehicle; after one hour, the vehicle must be moved to a long term parking area.
- The Early Check-In permit should remain on the vehicle and will allow the vehicle to park in long term parking areas until 7:00 am Tuesday, Aug. 16, 2016. A list of the closest area to a specific residence is provided below and a map is attached showing these locations.
- Please follow these guidelines to allow for space to be available to others moving in.
- Vehicles displaying a valid NCSU parking permit for the 2016-17 Academic Year should also park in the long term parking areas to allow for the move in of all residents.
- If you need assistance, please contact Wolf Ridge Apartments at 919-515-1507.

Early Check-In long term parking for each residential area is recommended in the following areas:
