Departmental Guest Parking and Payment Options

Departments that invite guests to campus, or host small events on campus, have several parking options for attendees. These include guest parking in gated visitor paylots, in ungated pay-by-space lots and guest permits for a specific deck, lot or area of campus.

Pay lots are gated and guests may park in any space. Pay-by-space lots have numbered spaces and guests indicate the number of their parking space at the parking kiosk when they pay for parking. The NC State Parking Map includes locations of pay lots and spaces on campus, as well as permitted parking areas.

Below are a list of options that are available through Transportation. Questions may be directed to Transportation Events Management, trnspecevent@ncsu.edu.

Gated Pay Lot Parking Options:

Department Issued Chaser Ticket
Best Use: Single Visitors/Small Groups – Parking 2 hours or less
Cost: Coupons cost $2 each; minimum purchase of 40 chaser tickets per transaction
Locations: Coliseum Deck or Dan Allen Deck pay lots - must specify lot location (not interchangeable)
Process: Departments provide chaser ticket to the guests
   On exit guest inserts pay lot ticket; once fee is computed guest inserts chaser ticket;
   Under two hours guest has free exit; over two hours guest pays amount due for time over 2 hours (credit card required)

Pay-by-Space Parking Options

User Paid Parking
