

North Carolina State University (NCSU) is in the process of evaluating our transit, parking, and travel demand management programs. We would like to select a set of peer institutions to which we can compare NCSU's performance in these areas. The purpose of this questionnaire is to help us select appropriate peers for further study. If your institution is selected and you agree to participate in our study, we will send you a copy of the draft and final reports. If you have any questions about this questionnaire or our peer university benchmark study, please contact Emily Yasukochi, Transit Intern. Telephone: (919) 513-1769
