OPPORTUNITY TO REVIEW DRAFT BIKE MAP

Attached to this email you will find a draft of the NCSU bike map (in pdf format).

Please take a look and send ANY/ALL comments to ncsubikes@ncsu.edu

Right now, the areas designated as "Dismount Areas" are areas where cyclists need to be extremely mindful of pedestrians by either dismounting and walking their bicycle or slowing down to a pedestrian-type pace. If you know if any bike shops that should be designated, please send along that information (ie, location). If you have a particular route that you like, let us know and we may be able to move in the direction of a route-type map.
