**Weekday**
NC State’s campus bus service, connecting our three campuses (Main, Centennial, CBC) with surrounding areas. During Fall and Spring semesters, Wolfline operates 11 daytime routes every day that classes are in session. Most routes operate from 7am to 10pm, but with less frequent service between 6pm and 10pm. Daytime service frequency varies from every 10 minutes to every 30 minutes, depending on the route. Many stops are served by more than one route, so riders have several options.

**Night/Weekend Service**
During the Fall and Spring semesters, 3 night service routes operate every day that classes or exams are in session from 10pm until 3am. Wolfprowl is NC State’s express weekend entertainment bus, with service Thursday, Friday and Saturday nights from 9pm - 3am. Weekend daytime service is provided by the Route 8 Southeast Loop, 9am to 6pm. Weekend night service operates 6pm to 3am.

**Zipcar**
zipcar.com/ncsu

**Commuter Incentives**
ncsu.edu/wolftrails
Students that bike, walk, take transit, or carpool are eligible for commuter incentives! Save money, gas and help the environment! Earn parking passes on days when you need to drive.
Permits are available on a first come, first served basis until they are sold out. Freshman and transfer students may purchase a parking permit, but parking area choices are based on credit hours, so students with higher credit hours will have more permit options. Incoming resident freshman (no credit hours) may purchase a storage parking permit (quantities are limited). For more detailed information about parking, including purchase dates, park & ride lots, and other permit types (carpool, commuter, off-peak, etc) please visit www.ncsu.edu/transportation.

Purchase student parking permits in **EARLY JULY** at www.ncsu.edu/transportation
